**PETITION TO WITHDRAW HOLDING OF ABANDONMENT**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

This communication is responsive to the Notice of Abandonment mailed recently for this case. This petition is being filed under 37 C.F.R. 1.181 as a petition to withdraw a holding of abandonment based on failure to receive the most recent Office Action mailed on March 9, 2006.

I hereby certify that the Office Action was not received and that the file jacket has been searched. A copy of the docket entries page for this matter is included herewith and shows that the most recent Office Action has not been docketed.

A reply to the most recent Office Action is being filed in conjunction with this filing.

It should also be noted that the correspondence for this matter appears to be addressed to a previous firm despite a power of attorney with change of correspondence address that was filed in August of 2004. A request to correct the power of attorney and correspondence address is also submitted herewith. The Office Action at issue was addressed to the previous firm as shown on the copy faxed to the undersigned by the Examiner on October 24, 2006, but was not received from the previous firm by the present firm for whatever reason. It is not known whether the Office Action at issue was actually received by the previous firm.

No fees are believed due. However, please charge any additional fees or credit any overpayment to Deposit Account No. 50-3025.

Respectfully submitted,

Date: November 29, 2006
